

Cherry ripe for picking

THE cherry season is upon us, and hills farmer **Robert Walls** is anticipating a premium harvest. Mr Walls, pictured with son Connor, began picking on October 31 and expects to keep harvesting until Christmas. Full story, Page 11. PICTURE: KERYN STEVENS

Everard Park unit wheelie bin laden

THE discovery of 54 wheelie bins lined up side by side inside an Everard Park unit is a small breakthrough in the police investigation into the disappearance of more than 2200 bins in 20 months. REPORT: PAGE 11
